Guest Speakers – Sam and Jon Guy

Sam Guy & Jon Guy were Cornerstone's summer interns in 2015 and 2016. Sam attends Kentucky Christian University and Jon attends Milligan College (TN). Both Sam and Jon have preached and have sung at Cornerstone before; and every time, God uses them to teach, challenge and encourage us. These brothers had the idea of a 'Tag-Team' message – which they will present this morning. We are honored they and their family are here today.

Naomi's Corner

Naomi's Corner will be starting back up Tuesday, January 16th at CCC from 2:00-4:00 PM and every third Tuesday thereafter, also at CCC. Come join us and share your thoughts for the coming year. Any questions, contact Diane Walters (772)633-2208.

Bible Hour – New Class

Christian History Made Easy: a 12 week study to better understand the key events and people every Christian should know. There will be something new for everyone to learn. Please do not miss the opportunity to study together. The first class is January 7, 9 AM.

Chili Cook-Off and Favorite Hymn Sing

The first Senior Adult event in 2018 will be a Chili Cook-off on Sunday, **January 14th** immediately following the morning service. **The entire Cornerstone family and guests are invited to come.** The pots of Chili will be judged. We will have a great time with this! Everyone else is asked to bring items like salads, drinks, crackers, deserts or anything else that goes along with chili. Please sign up on the food lists in the Welcome Center.

Following the meal we will all join in on an Old Fashioned Hymn Sing, complete with hymn books. It will be a delightful day for the entire family. One more thing, don't forget the Rolaid's.

NEW Updates on our FY '18 Goals

We set three major goals to accomplish during our current Fiscal Year::

1. Youth Building (Portable): John Miller is our Project Manager. He will work with MBV(engineer), IRC & local contractors. We are designing the layout of the building, to include Family/Associate Minister office, large meeting room (Children's Church and Youth Group), bathroom and storage. The planned location is west of the building in the grass lot. If you have questions, talk with John.

2. Staff: A job description is being finalized and will be posted on job boards at our Bible Colleges. We have already received resumes. We are working on funding from 2-4 large churches. Their contributions, for 3 years, will be inversely proportional to CCC's contribution. This will allow us to grow that full-time salary into our annual budget. This will be an exciting year for CCC. Pray for both of these goals and for guidance every step of the way.

3. Water: We got word through Epic Mission that First Church of God may have a final decision next week on their site plan. This will enable us to move ahead and connect to their water main. While this project is still months away, there is progress!

End of the Year Giving

Christmas brings with it a season of giving gifts to family, friends, co-workers and others in our life. Would you please prayerfully consider giving an 'extra' gift to Cornerstone before the end of the year? All financial offerings are tax-deductible. Thank you in advance for your generosity.

Kents Comments

What a blessing Cornerstone is to many people. We are two of them! We are so blessed to serve with you. Kim and I thank you for your cards, gifts and goodies for Christmas. You treat us so very well. Blessings on you and your family. We love you.
