Matt & Kelly Sprague

Matt and Kelly Sprague were our honored guests May 25-28. CCC had the opportunity to get to know them and for them to get to know Cornerstone and the Vero Beach area. It can unequivocally be said that all parties were very impressed!

The focus of this staff position is on children, teens and their families. As one adult reported who attended the youth meeting, 'Our kids responded to Matt & Kelly in an incredible way'.

The CCC Shepherds unanimously and enthusiastically recommend that we call Matt to be our full-time Family Minister. We have extended an invitation, contingent on the outcome of our congregational meeting. Matt has accepted our invitation.

A Congregational Meeting will be held TODAY immediately following this service. All CCC members are eligible to vote. EVERYONE is invited to attend the meeting. If you have any questions, talk with one of the Shepherds.

Thank You

"Thank you to everyone who hosted us for meals and the whole church who gave us such a warm welcome. We felt so loved! We really enjoyed our time in Vero Beach, with the community, and the entire Cornerstone family. We are praying for peace over your decision and that God's hand be evident in all of our choices." Matt & Kelly

One of our three Major Goals this year is to: Fund and install an additional facility to expand our ministry capabilities – especially to children.

We are 2/3 of the way through a six month drive to raise the \$100,000 needed for the project. Pledge cards and envelopes are at the Welcome Center for you to prayerfully consider what to give 'over and above' your regular giving to our general fund. Place your pledge card in the offering baskets any Sunday. We ask that all monies be given within 6 months (end of July). You can give online, too. Go to our website: ccvero.org and click on the Giving tab – choose The Portable tab.

CCC's history includes many instances of God's Favor – both spiritual and financial. It has happened once again. After submitting our MAC plans to IRC, they initially slapped a 'Special Variance' on us that would have cost us an additional \$975. They also asked us to plant about 50 trees and 80 bushes to act as a 'buffer' for Schacht's property (to the west). After a meeting and further review, we won't need the Special Variance. We will be required to plant only 7 small canopy trees and several shrubs.

If you would like more details, talk to John Miller, our Project Manager.

Lake Aurora Summer Camp

Camp brochures/registration forms are in the Welcome Center. Pick up a "Lake Aurora Buck" from Jolene Santoro to save big 'bucks'. This summer's theme: Depart Into Uncharted Waters. If you're able to offer a scholarship to a child who is

unable to attend, see Kent.

If you need financial assistance, please talk to your Shepherd. We never want the tuition to keep a child from attending camp.

On May 31 Tim Collins, local CPA, member of Vero Christian Church and friend of many here at Cornerstone Christian died after suffering a massive heart attack. We extend our love, prayers and sympathy to Lou Ann, Lauren, Sue and all the family.
