The Heavens Rejoice!

Carl and Ruth Hamburger were joyfully immersed last Sunday. They moved to Vero about two months ago and have attended Cornerstone since they arrived. They expressed how welcomed and loved they felt by this body. Thank you CCC. Carl and Ruth; welcome to this body of Christ. We rejoice at your decision.

Matt Sprague

By a near unanimous congregational vote, Matt Sprague was called to be Cornerstone's full-time Family Minister. Thank you again to our search committee, chairman Chris Stephenson and our Leadership Team who spent the past 2-3 months on this process. Matt, Kelly and their 3 children plan to move to Vero Beach and tentatively begin their ministry on August 1.

This is a benchmark moment in Cornerstone's history. PRAY for Matt, Kelly and their children. This is a life-changing activity. ASSIST their ministry. Ask how YOU can help. GIVE financially, as we are taking on a new full-time salary/benefits. HELP: They need to find a 3 bedroom house with a fenced back yard to rent or buy. If you have a suggestion, please talk to Kent, Steve or one of the Leadership Team.

Father's Day

Thank you to all the ladies who provided a delicious breakfast this morning to honor our earthly fathers.

Friday Lunch Bunch

Ladies: On June 22 meet @ Wood N Spoon, 2015 9th Street SW (Oslo Road) at 11:30 AM. Bring a friend. Call Dorie Parvin if you will join us.

One of our three Major Goals this year is to: Fund and install an additional facility to expand our ministry capabilities – especially to children.

We are more than 2/3 of the way through a six month drive to raise the \$100,000 needed for the project. Pledge cards and envelopes are at the Welcome Center for you to prayerfully consider what to give 'over and above' your regular giving to our general fund. Place your pledge card in the offering baskets any Sunday. We ask that all monies be given within 6 months (end of July). You can give online, too. Go to our website: ccvero.org and click on the Giving tab – choose The Portable tab.

CCC's history includes many instances of God's Favor – both spiritual and financial. It has happened once again. After submitting our MAC plans to IRC, they initially slapped a 'Special Variance' on us that would have cost us an additional \$975. They also asked us to plant about 50 trees and 80 bushes to act as a 'buffer' for Schacht's property (to the west). After a meeting and further review, we won't need the Special Variance. We will be required to plant only 7 small canopy trees and several shrubs.

If you would like more details, talk to John Miller, our Project Manager.

Lake Aurora Summer Camp

Camp brochures/registration forms are in the Welcome Center. Pick up a "Lake Aurora Buck" from Jolene Santoro to save big 'bucks'.

This summer's theme: Depart Into Uncharted Waters.

If you're able to offer a scholarship to a child who is

unable to attend, see Kent.

If you need financial assistance, please talk to your Shepherd. We never want the tuition to keep a child from attending camp.

I want to thank all my CCC brothers & sisters for all of your prayers, cards, calls and texts through this challenging time in my life. I'm so blessed to have joined such a wonderful family. God Bless, Kathleen Snyder
