### August 5, 2018

Bible Hour:	17
Family Worship Attendance:	148
General Fund:	\$5,759.00
Weekly average needed for budget	\$4,670.00

One of Cornerstone's 3 Major Goals this year is to: 'Fund and install an additional facility' to expand our ministry capabilities – especially to children.

In February we launched a 6 month drive to raise \$100,000 to pay for a portable that we affectionately call the MAC – Ministry Activity Center. That 'drive' ended this past Sunday.

The \$100,000 will fund not only the building itself but all the components as well: permits, engineering, electricity, water, sewage, stairs, ramp and deck, sidewalk, retractable wall, county required vegetation, equipment and furnishings.

THANK YOU for generously supporting this needed project. Thank you for the confidence you have placed in the Cornerstone leadership as they cast a vision for our future. Thank you for trusting that God will meet your and our every need.

**The GRAND TOTAL of giving for the MAC will be revealed on Sunday August 5 during the service.**

**The anticipated delivery date is August 17.**

When it's on campus, much work will still need to be accomplished before we can use the building. We will need your labor to keep our costs as low as possible. **Please talk to our Project Manager, John Miller, if you can and will help us.**

### Friday Lunch Bunch

Ladies: On August 10, meet at Barefoot Café, 2036 14<sup>th</sup> Avenue, at 11:30 AM. Bring a friend to meet our CCC gals. Call Dorie Parvin if you will join us: 772-562-7533.

### Heaven Rejoices!

Bill and Pam Pauley were immersed on Monday, July 23. Several people from Cornerstone came to celebrate along with all of Heaven. Bill and Pam moved

from St. Louis to Vero one year ago. They searched for a church home, visited us and immediately felt 'at home'. Neither is a new believer. They studied the conversion accounts from the book of Acts, including baptism by immersion and without hesitation said 'we want to do that'. Welcome Bill and Pam and thank you CCC for making them feel part of our 'family'.

### Youth Group

Saturday Aug. 11  
7:00 - 10:00 PM

This is going to be a great night to experience God and His love for you. Save the date and come prepared to have a great time!!

Help us 'get the word out'! Pick up a poster to give to your friends or post around the community. Thanks.

## Water Project Update

Patience is a Virtue. Patience is one of the Fruits of the Spirit. Over almost 3 years of waiting we have often been close to 'losing our patience'. At long last, we have positive forward progress.

A quick recap: We asked IRC in a 3-way project (Epic Mission, Schacht OJ and CCC) to give an exemption to bring county water to our facilities. After a long process IRC agreed. We hired MBV to engineer our project. The plan was to bring water from the intersection of 58<sup>th</sup> Avenue and 12<sup>th</sup> Street to our three properties. The project was stalled because of the intense work that would be required to find a place to 'tap into the line' under 58<sup>th</sup>. We then asked First Church of God to give us an easement on their property to tap into their 8" main. They agreed but were beginning a campus construction project. We had to wait till their plans were finalized. MBV has completed their new engineering plans and it HAS BEEN SUBMITTED TO IRC. Since this 'change' was IRC's idea we expect no issues. As we wait IRC's final answer we will simultaneously be sending out the project for bid. Please keep this process in prayer for God's favor. If you have any questions, talk with your Shepherd or Kent.

Please see Ed, Dale, or William to share your thoughts. You can also attend the 8/9 and 8/23 Shepherd meetings. ## Thank You

If you have been attending Cornerstone for even a few months, you know because we have Well Water we often have discolored/smelly water. Our 'saving grace' is two men: Herb Boehme and Mike Sammons. These two men frequently work on our system to keep the water quality as good as possible. Herb recently spent hours rebuilding the chlorine pump and brought the quality way up again. Thank you Herb and Mike for the many hours you serve.

## Matt's Article

A couple of weeks ago, Kent spoke on Sunday about "Journey." He mentioned how exciting it will be to see fingerprints from the kids that come into this building, knowing that kids were here in this place to experience what God has to offer them. Fingerprints mean something has been touched, usually with dirty hands on white walls. We know that fingerprints on a wall, those will come off. This might require a bit of scrubbing or maybe even paint, but those fingerprints are temporary. We as a church have the opportunity to leave a fingerprint on the lives of these kids, whatever their background may be. These fingerprints aren't temporary, these could change lives. We are able to share the love that we have for them, only to point ever more so to the love that Christ has for them. Christ's love is unchanging, it never fails, and it never gives up. Please be in prayer for kids that come through CCC's doors. Pray that they see our love for them, because He loved us first.
